## Here's what some of our customers had to say about working with the O'D Team!

We had a great experience with Brendan and his team! Everyone was friendly, professional, quick to respond, and made the process of getting a mortgage for our new house go smoothly. They were very clear in what information they needed from us and made the process as painless as can be.

My wife and I used Brendan O'Driscoll and his team for our mortgage and they were great throughout the entire process. They made us feel comfortable and gave us a good idea of the home buying process. They are a well respected name in the area; when we mentioned we were approved through Treadstone selling agents took notice and it helped when competing with other bids. Can't recommend them enough.

– Timothy F. (May 2021)

This is the second time I have used Treadstone and the O'D team. I refinanced my home to purchase all new windows and my mortgage is lower than it was before! Treadstone makes the process simple. Thank you!

– Michele H. (May 2021)

Lauren and Sarah with Brendan O'Driscoll's team were an absolute pleasure to work with from start to finish. They are extremely responsive and personable, and very good at explaining all the details promptly and succinctly. We plan on referring our friends and family for their mortgage needs!

– Catara B. (May 2021)

The communication from Treadstone was outstanding. There was no guesswork on the status from application to closing. They responded to us timely and made us feel like they care about our needs. Brendan takes a "hand-on" approach which gives you confidence that you are working with an ethical company. This was very important to us due to the investment we have made in our home. If you are looking for a mortgage company that's fair and honest, I'd recommend Treadstone Mortgage.

– Anthony S. (May 2021)

Brendan, Lauren, and Hope at Treadstone were a tremendous help and super responsive during the home loan process. I highly recommend using their services!

– Sarah S. (May 2021)

The O'Driscoll team was a pleasure to work with and truly went above and beyond to help us make our dream of owning a home a reality. As a first time homebuyer, I was overwhelmed by the financing process, but Brendan and his team broke everything down and made the process so simple and painless for me. They were in constant communication with us through the home buying process and beyond, and I really felt that we received personalized attention. Brendan even volunteered to vouch for us to sellers when we placed offers on homes. Totally blown away at the level of service! Totally blown away at the level of service, and will definitely choose Treadstone in the future.
