Here's what some of our customers had to say about working with the O'D Team!

Brendan O'Driscoll and his team made obtaining a mortgage very smooth. They also explained each step thoroughly and plainly which was very helpful as a first time home buyer!

— Matthew F. (December 2023)

I couldn't recommend working with Brendan more. We were very anxious about buying our first house, and the O'D team was amazing. If you're looking in or around the Grand Rapids area, this is the place to go.

— Austin N. (November 2023)

Buying a house can feel overwhelming. Everyone at Treadstone was always patient, attentive and supportive. Brendan O'Driscoll not only responded to my calls but would periodically call to keep the communication open and answer questions that may have arisen. Lauren Winter was always responsive and approachable in helping to look at options and understanding the process. I would highly recommend the O'D Team when purchasing or refinancing a home.

— Cynthia P. (October 2023)

Brendan and his team were great to work with — they were attentive to our needs and were readily available during our house hunting process, as well as the closing process when we finally found our house. Highly recommend Brendan and Lauren and their whole team!

— Andrew G. (September 2023)

Brendan and the entire O'D team were super helpful and made the mortgage process easy and fun!

— Mitch S. (August 2023)

We had a great experience with the O'D Team! They were always on top of everything, and Brendan made sure to keep our anxious minds at ease throughout the entire home buying process. I highly recommend Treadstone if you're looking for a lender in the Grand Rapids area!

— Shelby P. (August 2023)

Our family closed on the purchase of a family home last Friday. Brendan O'Driscoll and his mortgage team at Treadstone Funding were awesome. All our questions were answered promptly, and the transaction was seamless. Thank you Treadstone for taking some of the worry out of buying a home!

— Brian E. (August 2023)

We are new to the area and toured several open houses and spoke with quite a few realtors. In our conversations we had asked for names of lenders they would recommend working with - several times we were told Treadstone Funding and, more specifically, Brendan O'Driscoll's team. From start to finish, the process was easy. Our pre-approval was fast, which is important in this current market where you need to be ready to make an offer right away. Applying for and being approved for our actual mortgage was easy and stress-free. I highly recommend working with this team.

— Rose M. (July 2023)

My husband and I have bought and sold properties over the years, and this was the smoothest mortgage experience we've ever had. Very responsive and helpful team. Even our realtor was impressed!
